
Job Posting

The Furnace Run Watershed Coordinator provides technical and educational assistance with water quality protection efforts, assists in watershed planning to protect the water resources, and networks with citizens, agencies, and organizations on a multi-jurisdictional basis to advocate for behavioral change and establish a permanent local water resource restoration and protection program.

Essential Duties and Responsibilities:

- Initiate and conduct watershed planning in the Furnace Run watershed, including development of Nonpoint Source Implementation Strategy (NPS-IS) document, collecting and compiling watershed data and information, and identifying and engaging stakeholders
- Communicate and coordinate with the stakeholders' and communities within the designated watershed by identifying and implementing watershed goals, initiatives, and projects
- Identify and seek grants and other funding opportunities for workshops, watershed education campaigns, projects, field days, equipment, and land acquisition
- Develop and coordinate watershed volunteer data collection program to collect water quality data, conduct surveys, and other watershed sampling projects
- Coordinate and collaborate on watershed outreach campaigns within the designated watershed, provide guidance to landowners on related watershed issues, and attend community events within the watershed

Qualifications:

- A Bachelor's degree in conservation, natural resources, environmental science, construction science or other science related field, or a combination of education and work-related experience.
- Ability to read and write instructions, correspondence, and memos; ability to effectively present information in one-on-one and small group situations.
- Knowledge and proficiency in using MS Office products (Word, Excel, PowerPoint, Publisher, and Access).
- The ability to pass a drug test and background check.
- Valid driver's license and good driving record.

Salary Range and Benefits:

- This is a part-time permanent position (24 hrs./wk.)
- Salary range \$18.00 - \$20.00/hr., salary commensurate with experience
- Ohio Public Employment Retirement, annual and sick leave, and access to the county fitness centers.

Please email resume, cover letter and references to Brian Prunty at bprunty@summitoh.net. Selection of candidates will begin on January 21, 2022. Resumes will continue to be accepted until the position is filled.

In order to provide equal employment opportunities to all individuals, employment decisions in the District will be based on merit, qualifications, and abilities. The Summit Soil and Water Conservation District does not discriminate in employment opportunities or practices on the basis of race, color, sex, age, religion, national origin, ancestry, veteran status, disability, sexual orientation, gender identity or any other characteristic to the extent protected by law.
