

## Job Posting

The *Stormwater Inspector* provides *surface water management assistance by performing inspections and providing guidance to ensure compliance related to State, County, and local community codes.*

### Essential Duties and Responsibilities:

- Perform inspections on regulated construction sites to ensure compliance with the approved plans, State, County and local regulations.
- Perform inspections on post construction stormwater control measures.
- Perform dry weather screening inspections on storm sewer outfalls.
- Perform pollution prevention and good housekeeping inspections on municipal owned facilities.
- Investigate complaints and provide reports based on observations and findings.
- Provide reports and guidance related to the stormwater program to our stormwater program stakeholders.

### Qualifications:

An associate degree in conservation, natural resources, environmental science, construction science or other science related field, or a combination of education and work-related experience. Computer skills, including operation of Microsoft Office Suite program, graphic and website design and social media platforms are necessary. Successful applicants must possess a valid Ohio driver's license and will be required to successfully pass all pre-employment background checks and substance abuse screening.

### Salary Range and Benefits:

- This is a full-time permanent position.
- Salary commensurate with experience.
- Ohio Public Employment Retirement, annual and sick leave, county medical benefits, life insurance, work-life balance, 13 paid holidays, hybrid work options, and access to the county fitness centers.
